

THANK YOU!

The 21st Annual Crusader Classic Charity Golf Tournament was held Saturday September 8 at Island View Golf Course in Waconia. It was another outstanding FUNdraising event, providing financial support to MLHS technology needs.

The first place team this year was the Andrew Tjernagel foursome. Thanks to our generous prize sponsors, many other teams and players also win prizes from on-course events and drawings. We thank all the participants for supporting this event, as well as the myriad of volunteers who are involved in making this tournament such an enjoyable event and huge success.

Our success has been made possible because many businesses and individuals have generously helped out by way of sponsorships. We especially thank this year's signature sponsors, Jerry's Transmission Service and Wells Fargo, represented by Fred Pawelk and Michael Heil.

Our Platinum and Diamond sponsors also deserve recognition and a big thanks for their support – Big Green Egg, Blake Hahn Financial, Blue Chip Advisors, Crown College, EPS, Hometown Bank, Kloos Electric, Mayer Lumber Co, and Mayer Lutheran Boosters.

Through sponsorships, entry fees, and on-course activities, the tournament helps to guarantee that the school stays at the forefront in technology in a world of exponential change.
